DEPARTMENT OF JUSTICE**Notice of Lodging of Consent Decree
Pursuant to the Clean Water Act**

In accordance with Departmental policy, 28 CFR § 50.7, please be advised that a proposed Consent Decree was lodged on September 23, 1996, in *United States v. Atlantic Refining and Marketing Co., Inc., and Sun Co., Inc., (R&M)*, C.A. No. 94-5482, with the United States District Court for the Eastern District of Pennsylvania ("District Court"). On the same date, the United States withdrew a proposed consent decree for this case which had been lodged with the District Court on September 22, 1994. See Notice of Lodging, 59 FR 48640.

The proposed consent decree addresses alleged violations of Sections 301 and 402 of the Clean Water Act, 33 U.S.C. §§ 1311 and 1342, which occurred at the Philadelphia, Pennsylvania oil refinery owned by Atlantic Refining and operated by Sun Co., Inc., R&M. Both entities are subsidiaries of Sun Company, Inc. Specifically, the defendants allegedly violated several parameters of the National Pollutant Discharge Elimination System ("NPDES") permit for the Philadelphia refinery. The parameters allegedly violated include those for total suspended solids, oil and grease, total chromium, hexavalent chromium, biochemical oxygen demand, phenolics, ammonia (as nitrogen), zinc, and pH. The violations included eleven bypasses of untreated water to the Schuylkill River.

The proposed consent decree requires defendants to undertake extensive injunctive relief to ensure compliance with the NPDES permit, to implement two supplemental environmental projects ("SEPs"), and to pay a civil penalty of \$600,000. The injunctive relief provisions of the proposed decree include upgrading the refinery's wastewater treatment plant, stormwater conveyance, and operating and maintenance practices. The proposed consent decree also imposes substantial stipulated penalties in the event of bypasses, violations of effluent limitations, violations of monitoring, sampling and reporting requirements, and delays in meeting the compliance schedule for the injunctive requirements of the Decree. The SEPs will include (1)
